Highlights in Pictures

Josh McDowell, a friend and well know speaker-author, visited us for ten days where we recorded 78 of his and his wife's messages designed to reach young people and newly weds. Many of the classes are now on our Internet site in English and in Spanish. Check them out! (www.integridad.com/articulo.php?id=10307)

Besides recording the Youth Congress, Paulo Cesar and I taught a Seminar on *How to Evangelize using the Internet*

Not all our work is conferences, evangelizing, teaching, technology or the Internet. We are also concerned about social problems. The mission donated 35 nice warm pajamas to 35 needy children in the Sion children's home and also donated 14 new mattresses to a Christian drug rehabilitation center.

As a final note we'd like to ask that you keep Lina in your prayers. She's experienced strange symptoms that prevent her from speaking clearly. After ten months of exhaustive tests, the physicians are still perplexed as to it's cause.

As partners and friends, thanks for your prayers, your concern, your willingness to back us in this international ministry. Your missions investment is working.
